BV Job No. 05ABD694875

Statement No. 05ABD17052 Rev. 0

STATEMENT OF CONFORMITY

Issued within the scope of the Bureau Veritas General Conditions of Service

Application of the council Directive 97/23/EC of 29 May 1997 on Pressure Equipment (PED)

Manufacturer: Vector International

18 Baglan Industrial Park, Port Talbot, West Glamorgan, Wales

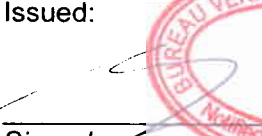

Description: Techlok Clamp Connectors

Statement:

The Quality System for the design, manufacture and testing of Technlok Clamp Connectors (components) has been assessed with respect to conformity with the relevant requirements of the Pressure Equipment Directive.

The quality system was found to be appropriately documented and duly implemented and is considered to cover all issues relevant for components that are to be installed in pressure equipment subject to the European Pressure Equipment Directive 97/23/EC.

The assessment has included an audit at the manufacturer's main facility in Port Talbot, Wales.

Notified Body No. 0041	
Issued at Aberdeen : 16 September 2005	
Issued:  Signed: Yuri Lightbourne Technical Examiner	Verified By:  Signed

Note: This Statement is not valid until the Assessor and the Verifier have signed the Statement.

The latest published General Conditions of Service of Bureau Veritas are applicable

Any person not a party to the contract pursuant to which this document is delivered may not assert a claim against Bureau Veritas for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgment, fault or negligence committed by personnel of the Society or its Agents in the establishment or issuance of this document, and in connection with any activities for which it may provide.
